

# What is a Blessing Basket?

Thanksgiving is a time for family, food and gratitude. Many local households will struggle to enjoy the holiday this year.

A **Blessing Basket** can help those in need fill the table with food and basic needs for their home. A **Blessing Basket** is simply a laundry basket (or similar basket) filled with:

- Non-perishable food like cans of vegetables, boxes of stuffing and mashed potatoes, can/packet of gravy, muffin/biscuit mix
- A gift card to a local supermarket to pick out a turkey or ham
- Basic household items like paper goods, laundry detergent, baby wipes and toiletries

The **Only Orly Group & Riikka's Team Bottino** are partnering with **Zonta Club of Ringwood** to gather **Blessing Baskets** to help those in need this year.
